Visit www.redwoodcoastaazk.org for more information and for online ordering

Lemur Conservation

Giraffe Conservation

All proceeds from the purchase of this cupcake benefit Lemur Love, a non-profit organization that's mission is to protect lemurs, empower women, and further science. Lemur Love supports long term behavioral ecology research of ring-tailed lemurs at the Tsimanampesotse National Park in Madagascar and supports a lemur rehabilitation center. This organization fights the illegal pet trade by analyzing pet lemur genetics to determine the forests from which they were captured. Lemur Love then advocates for better legal protection for the forests where lemurs are most commonly captured.

All proceeds from the purchase of this cupcake benefit the Giraffe Conservation Foundation, an international science-based conservation organization that provides a local, national and international partners approach to save giraffe in the wild. They are the only organization to support the conservation of viable and existing habitat for giraffe in Africa by identifying key threats and mitigating them. They plan, develop, implement, and administer projects to help improve our understanding of giraffe as a keystone species in Africa and to ensure their long-term success in the wild.
